## The Story Behind [Part III - Selected Memories]

of all the songs written  
I choose  
friends grin and groove  
for three exalted minutes

back then  
a solid statement in space and time

sounds  
reverberates through thin air  
through thin years

now  
distant in mind  
hard to catch

blurred and hazy  
after years of  
blurred haziness

I select  
these snap shots  
sweet memories  
from a broken time

I accidentally drop them on this shelf  
dreaming you'll one day stumble upon them
